Subject: Request for Fund Raising for Tsunami Victim in Japan

Dear

All IMDIA Members,

First of all, IMDIA would like to thank for all the support and cooperation given.

Later on, as well as all of the members have known, on March 11th 2011 around 2:46 PM, there was a big earthquake, centered in Sanriku Sea, East Japan, and was followed by a huge tsunami wave which have made thousands of people in the Fukushima, Iwate, and Miyagi Province become the victims.

There are 9,000 people died and 21,000 people are reported missing. And then, there are more than 250,000 people forced to be evacuated because of this disaster, whom in the middle of the cold still struggling against the aftershocks with lack of water, foods and medicines.

In this condition, thing that we, who lives in Indonesia could do is to send prayers for the victims, that they could recover from the disaster as soon as possible, even if it's at least one day sooner.

Hence, IMDIA is planning to conduct a fund raising activity for the recovery of the tsunami victims through The Nippon Foundation, which the details are written below. We are hoping for your kind cooperation.
